(Respond in unison the **bold** words)

- + May we **go forward** into our workplaces, our faith communities and into the community -- and **share** tonight’s **knowledge** and **understanding** of **brain health**.
- + May we go forward to **advocate** for brain health **legislation** - including increased **funding** for providing brain health **services** in Iowa.
- + May we express “thankfulness” for compassionate, dedicated **caregivers** and **brain health professionals** within our community.
- + May we express “thankfulness” and **support** for new **breakthroughs** in brain health **research**.
- + May we express “thankfulness” and **support** for ongoing **discoveries** of effective **medications** and **treatments**.
- + May we pray for **acquiring quality of life**, for **individuals** and **families**– living with brain health issues within our communities.
