SEPTEMBER 2022

[WWW.DACUONLINE.ORG](http://WWW.DACUONLINE.ORG)

**JOIN US FOR THE UPCOMING  
SEPTEMBER DELEGATE MEETING**  
**WEDNESDAY, SEPTEMBER 27, 7:00PM**

If you are a resident of the Dubuque area and have a passion or interest in making a difference in the world by fostering understanding and awareness of human need, **DACU welcomes you** (*that's right, you don't officially have to be delegate!*)

**WHAT:** Dubuque Harm Reduction Information Session

**WHERE:** St. Luke's UMC  
1199 Main St.

Founded in 2018, Dubuque Harm Reduction is a community-led public health advocacy group serving people who use drugs and other at-risk populations in the greater Dubuque area. In addition to providing low-barrier services such as naloxone, condom and syringe distribution and used syringe pickup, DHR also helps program participants connect with counseling, medication-assisted treatment (MAT) and housing assistance. A core tenet of this program is that **every person deserves to be treated with respect and dignity, regardless of what they choose to put in their body.**

The speaker will be Evan Hudson, the program coordinator for DHR. Born in Ames, Iowa, Evan first moved to Dubuque in 2017 & looks forward to living and working in the tri-state area for years to come. A recovering opiate addict himself, Evan was introduced to harm reduction when attempting to access naloxone & clean syringes in

New Orleans. After helping to found DHR in 2018, Evan became DHR's program coordinator in 2020. He is grateful to be alive & spreading the good word about harm reduction.

# DACU PROJECT UPDATES

## PEOPLE IN NEED

Through July of this year PIN has assisted 43 households with rent, water, electric and gas totaling **\$26,873**. It is clear the need is significant in our community following the end of many COVID-19 assistance programs.

P.I.N. operates through referrals from social service agencies, churches/congregations and DACU. Potential clients cannot call directly. PIN exists to offer limited and emergency assistance to those facing exceptional circumstances through direct payments to clients' creditors, for rent, utilities, medical and other basic needs.

PIN is celebrating our 40th year of service to the community this year. We were created by DACU back in 1982.

During the first months of 2022 PIN has been blessed with generous donations from many individuals and the following congregations/groups. PIN is grateful for the most recent donations from St. Joseph The Worker Church and St. Anthony Church.

Sincerely,  
Tom Stovall  
P.I.N. President

## DUBUQUE RESCUE MISSION

The Dubuque Rescue Mission for **90 years** has stood alongside the poor and marginalized in our community. As many of you know, the Dubuque Food Pantry moved to a new location, leaving their building for sale. Our Rick Mihm saw great value in the vacated building. The old Dubuque Food Pantry building was a perfect fit not only as a building but it's location to fill when the void when the Rescue Mission has more men than we have space to house, especially in the winter months. So just a few weeks ago, we purchased that building to be used as a warming shelter and to house men in the evenings. There will be showers and bathrooms added on the main floor and a space for cots in the evening. We were already renting the two apartments upstairs in the building for men who have completed the program and are now working in the community. We are grateful to the Dubuque Food Pantry Board and staff! The building has been very well cared for and maintained. The space is perfect for what Rick had imagined and even space that we will have for future growth. The apartments upstairs have been remodeled and won't require anything more than normal maintenance.

Sincerely,  
Rick Mihm and the Board  
of Directors.

## DUBUQUE FOOD PANTRY

Greetings, What a wonderful end of Summer we are experiencing. Here at the Dubuque Food Pantry we are having a record number of families visit our Pantry since we moved to **1310 White St.** on July 1 (*see photo below*).

We are able to give our clients a shopping experience now. There is twice the square footage in our Pantry and off street parking.

Special thanks to the City of Dubuque, the County of Dubuque, and the Estate of Ann Bauck, that allowed for us to purchase our new location. We want all of our donors to know that none of their donations went toward the purchase. Your donations are going toward the purchase of groceries for the Pantry.

We appreciate all of the well wishes that we have received from everyone.

There will be a Ribbon Cutting Ceremony on Thur September 22 at 4:30 p.m. All are welcome to attend.

Blessings!  
Theresa M. Caldwell  
Executive Director

## Introduction to Integral Approach to Spiritual Development

This is an introductory session to spark your interest for the more in-depth program in January. An Integral Approach to Spiritual Development can offer guidance during these challenging times of transformation. Drawing on the work of Spiral Dynamics by Integral theorists: Ken Wilber, Don Beck and Clare W. Graves, we will look at the various phases of human development. Words such as "God," "Spirit," and "religion" will take on different meanings depending on where we are on our journey. We don't lose our faith, it simply transforms. Through the use of facilitator input, group processes, facilitated discussions, journaling and integral practices incorporating head, heart, and body, participants will find community and practices to encourage continued growth.

\$15/person  
Registration deadline is September 23.

October 1  
10:00 am - 12:00 pm

## Glass Art Class: Decorative Wood & Glass Box

A unique opportunity to make a beautiful decorative wood and glass box (or two). Come to class and make one large box or a set of large and small decorative boxes.

Large box is 7 ¼" square. Small box addition is 5 ½" square. You will receive a square glass blank to add your own abstract design using small pieces of glass, pebbles, stringers, noodles, and millefiori. Your pieces will be fired, sanded on edges to fit squarely into box inset, and epoxied in. If you wish to make the second smaller box the cost will be an additional 45.00.

These boxes make beautiful decorations, great treasure or jewelry boxes. Additional box must be chosen at registration for planning purposes. They are wonderful gifts for the upcoming holidays.

\$80/person  
Registration deadline is September 26.

## Reading That Matters: The Whole Language: The Power of Extravagant Tenderness

September 27 2022 06:30pm - 08:00pm

Facilitator: Eileen Miller OSF

---

Over the past thirty years, Father Gregory Boyle has transformed thousands of lives through his work as the founder of Homeboy Industries, the world's largest and most successful gang-intervention program. In a community struggling to overcome systemic poverty and violence, *The Whole Language* shows how those at Homeboy Industries fight despair and remain generous, hopeful, and tender. Boyle's moving stories challenge our ideas about God and people, providing a window into a world filled with fellowship, compassion, and fewer barriers. Bursting with encouragement, humor, and hope, *The Whole Language* invites us to treat others—and ourselves—with acceptance and tenderness. Book available at the Dubuque Carnegie Stout Library, Amazon, and (hard copy only) Riverlights Book Store.

Fee: \$6 per discussion does not include the book.

The deadline to register is no later than Monday, September 26.
